OASIS Internal Funding Award (OASIS-IFA) 2023

Proposal title: _____

_____

_____

NOTE: Recipients of large awards in the first OASIS IFA call are not eligible to apply for funding in the second call. Recipients of small awards in the first OASIS IFA call are only eligible to apply for large awards in the second call.

Please indicate under which pillar you would like your proposal to be considered:

Type of award applying for (please select one):

"Large OASIS-IFA": Award of up to $200,000. Each proposal requires the participation of at least two Colleges/Schools/Other Units. Proposal only involving various departments in the same College/School will not qualify.

"Small OASIS-IFA": Proposal with one or more PIs with budgets in the range from $5,000 to $25,000. Co-participation of PIs from different units is encouraged but not required for the small awards.

Additional application materials:

1. Application Form (pdF)
2. Research Plan - No more than 8 pages narrative for the Large Awards and no more than 3 pages for the Small Awards, single-spaced, 12-point font with at least one-inch margins all around . **Proposals not complying with these space and page limitation requirements will not be reviewed.**
3. Typical proposals should include in their narrative: a brief introduction and objectives, specific aims, and anticipated results (if applicable).
4. Proposals should also contain a separate section, within the total allocated pages for the narrative, addressing the contributions of the proposed activities to one of more of the OASIS goals (Sustainability, Innovation, Social Inclusion, Education and Workforce Development).
5. List of publications or creative works cited in the narrative, if any (no page limitations for this list).
6. Budget with breakdown of broad cost categories and brief justification (no more than 2 pages for budget and justification).
7. CVs (no more than 2 pages for each investigator).
8. Results of prior **UCR internal seed grant(s)** in the last two years, if applicable (1 page max.).
