

IBC Member Training

Follow these steps to access IBC Member training on the LMS.

1. Open the LMS by following this link or by typing uclearning.ucr.edu in your browser.
2. If you have never used the LMS, click the “UC Affiliate Access Tool” link. If you have participated in other LMS courses previously, click the “Login Now” button.

3. Follow the prompts to set up a password if you don't have one and then provide your credentials to login.

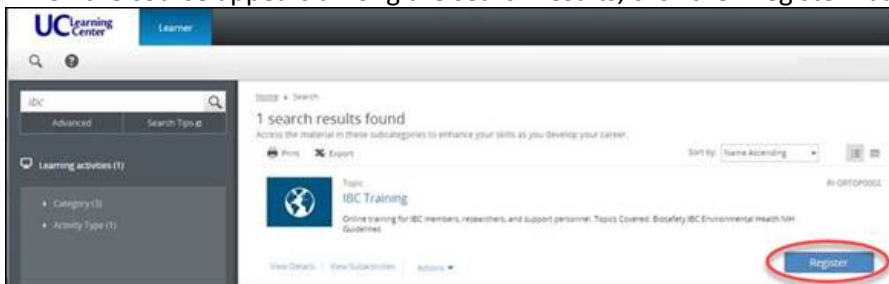

The screenshot shows the UC Riverside Central Authentication Services login page. At the top, there's a header with the UC Riverside logo and the text 'Central Authentication Services'. Below the logo is a message: 'You may authenticate now in order to access protected services later. For security reasons, quit your browser when you are done accessing services that require authentication.' There are two input fields for 'UCR NetID:' and 'Password:'. Below the password field is a checkbox labeled 'Warn me before logging in to other sites'. A blue 'Login Now' button is positioned below the checkbox. At the bottom, there is a footer with the text '© 2011 Regents of the University of California - Computing & Communications'.

IBC Member Training

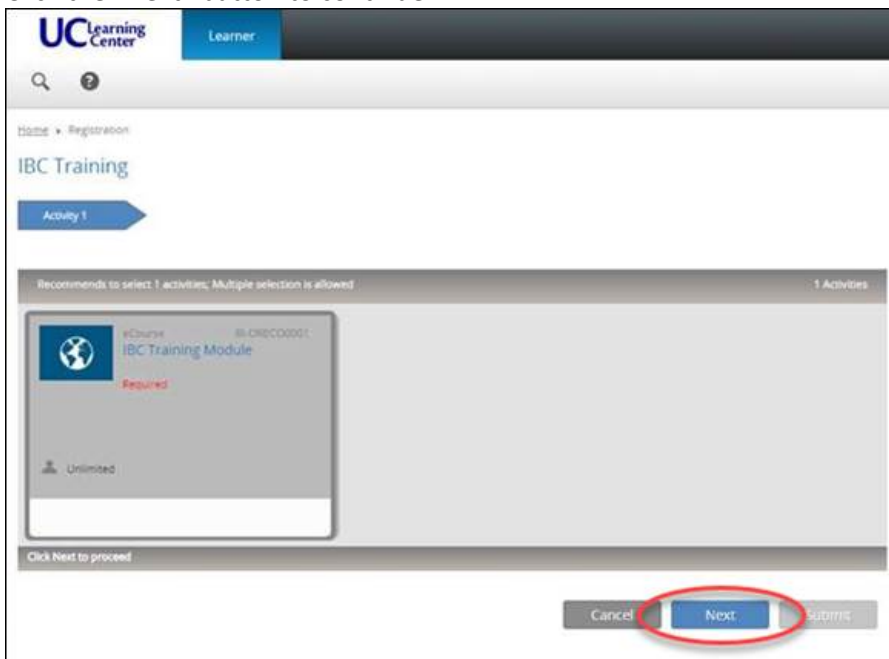

4. Type "IBC" into the Activity Search field and press Enter.

5. When the course appears among the search results, click the "Register" button.

6. Click the "Next" button to continue.

IBC Member Training

7. Click the "Start" button to launch the course.

You can reach the **UC Learning Center Support Site** by following this link or by typing cnc.edu.edu/lms in your browser. This web page provides helpful links and information regarding LMS access.
